The roads and easements in Units 15 & 17 of Tierra Grande Estates, a subdivision in Socorro County, New Mexico, according to the plats thereof on file for record in the Office of the Socorro County Clerk were dedicated by Horizon Corporation to the use of the general public forever all roadways and public ways shown here on. March 1, 1973, Plat Book B, Page 59 – Unit 17**

Said Covenants have been amended by an Amendment to Protective Covenants as to each Unit, executed by a majority of the owners of lots in each said Unit, and recorded in the records of the County Clerk of Socorro County, New Mexico. The Amendment for each such Unit adopts and incorporates into the Covenants for that Unit (as may have been previously amended), the Indenture applicable to that Unit (recorded January 5, 1973 in book 307 at page 696, or June 12, 1973 in book 313 at page 376, records of Socorro County, New Mexico). The Indenture was to expire or terminate, and the purpose of the Amendment is to grant and continue the rights of Tierra Grande Improvement Association ("TGIA"), the Grantor under the Indenture, to exercise all rights under the Indenture, including but not limited to making assessments against the lots within the Unit and enforcing those assessments by the liens provided therein, and to limit the obligations of TGIA thereunder to only those Units adopting a similar Amendment.

Except as amended, the above described Protective Covenants remain in full force and effect.
